

HyperdriveTV, LLC is a progressive global distribution company dedicated to identifying and delivering unique, high quality live and animated content via Internet-enabled devices. Founded in the United States in 2010, HyperdriveTV specializes in providing a secure distribution method for entertainment, education and sports content to viewers looking for a new multimedia experience.

HyperdriveTV has combined the leading providers of streaming , web enablement and social networking technologies to create the highest quality viewing experience in one online location HyperdriveTV.com. As an innovator in the content field, HyperdriveTV strives to work with forward thinking producers to fill the ever growing desire for media content worldwide. This opportunity provides a particular advantage for established and emerging artists and HyperdriveTV is committed to productive, long-term, mutually beneficial partnerships bringing maximum exposure to exceptional material across all mediums.

The HyperdriveTV team has management and entertainment experience in film, music, comedy and technology. President and CEO Darla Henning holds an MBA from Villanova University, a BBA in Computer Science from Temple University and has written professionally. She has over twenty years of experience leading multi-million dollar projects, teams and organizations for Fortune 500 companies and has spearheaded business development and growth strategies for film and theatre production companies in the US.

Chief Talent Officer, Tony Roberts, is a world renowned comedian and producer. He has performed stand –up all over the world, including major comedy venues The Comedy Store, The Laugh Factory, Caroline’s, Celebrity Theater, The Boston Comedy Club, The Peppermint Lounge, All Jokes Aside, Fox Theatre, and The Regal Theatre. He has appeared on HBO's Def Comedy Jam, BET's ComicView, Russell Simmons Def Comedy Jam Tour, had several specials on Showtime and has supported our troops abroad as part of the USO Tours.

As a producer, Tony is proud to bring ground-breaking comedy series “Darla and the Boys” and “The Real Dancers of Philadelphia” to HyperdriveTV exclusively.
